Business and Professional Women

Central Montgomery County PA

Thanks for your continued service!

So many blessings to count this month, and so many to share.

The Mary Walker House in Coatesville will close their doors next month, and eight women veterans will be moving to permanent housing. So, in addition to sending Valentines this year, we're also gathering gifts for their new homes. If you would like to donate household goods - towels, dishware, cutlery - please bring them to the February meeting. Mo will take those items to the ladies later in the month. We will also be presenting some gift cards; you can make a donation to that effort via [PayPal](#) (put "Mary Walker" in the note).

We also continue to support [Matthew 25: Ministries](#), with donations of empty plastic pill bottles, to improve medical care in developing countries while caring for our environment. Bring your clean pill bottles to any meeting!

February is Foundation month! Learn more [here](#). Make a donation using the mail-in form available, or via cash, check, or [PayPal](#) at the February meeting.

As always, please keep track of the hours you spend in support of your communities. Nancy Werner will be collecting all that data in June as part of our entry in the Eleanor Knoke award competition. Get the tracker [here](#).

Looking forward to seeing you next Thursday, February 16th! Bring a friend!
