Supporting past year projects - Laurel House

Each year, BPW/PA selects a state project, and local organizations find partners and affiliates to support.

In 2019, CMC BPW partnered with Laurel House to bring awareness to domestic violence, and we are honored to continue to support their work.

Keep up with events supporting Laurel House and our other local partners on our Facebook page! There's always something going on!

Please consider attending the special luncheon, **Breaking the Silence**, on **Thursday, September 22**, honoring our CMC BPW member Judge Cheryl Austin!
